To reward your commitment to the continual process of learning new skills and abilities, the Missouri Municipal League proudly sponsors the Municipal Governance Institute for MML members. This program provides leaders with the opportunity to become certified local government officials.

TIMEFRAME

The program is designed so participants can complete requirements within a standard two-year term of office. Attendance at the MML Elected Officials Training Conference and two MML Annual Conferences, including the pre-conference workshops, along with MML qualifying webinars, will typically provide the needed credits to qualify for completion. All participants are expected to complete the program within four years.

COMPLETION

Upon completion of the Institute's coursework, participants are recognized with a plaque honoring the achievement; a press release; listing on the MML website; and at the Annual Awards Luncheon during the MML Annual Conference.

FEE

The enrollment fee for the program is \$150 for members. The fee does not include the cost of attendance at conferences, workshops or seminars.

Growing Our Communities Together

1-2-3

Getting started in the MML Governance Institute is as easy as 1-2-3! Start by completing the enrollment form on the League's website. Next, complete and return the attendance verification forms whenever you attend qualifying events or workshops to MML. You can check the status of your progress towards certification by visiting your profile on the MML website. MML will notify you when you have achieved completion of all the required coursework.

"I was honored to be able to go through a very thorough training program to receive certification as an elected official through the Missouri Municipal League. It was a great program and I learned a lot about serving as an official and how best to serve our community."

- Brenna Schroeder, Trustee, Village of Freistatt

NEW!

ADVANCED CERTIFICATION

Building on the foundation of the popular Certified Municipal Official program, MML's Municipal Governance Institute has created an entirely new advanced curriculum. The advanced program offers increased challenges and rewards, requiring the completion of study in 14 core areas. Each custom-crafted module is tailored to assist Missouri local officials in their mission to better serve their communities.

TIMEFRAME

The advanced curriculum is designed for completion within the standard two-year term of most municipal officials.

COMPLETION

Upon completion of the Advanced MGI coursework, participants are recognized with the Advanced MGI pin; a press release; listing on the MML website; and at the Annual Awards Luncheon during the MML Annual Conference.

FEE

\$50. The fee does not include the cost of attendance at qualifying conferences, seminars or webinars.

CAPSTONES

Three capstone components are also part of the program: Community Service, Advocacy, and Leadership electives. More detailed information on each of the core training requirements, as well as the capstone projects, is available on the League website under Municipal Governance Institute.
