

EXPAND YOUR HORIZON

Municipal Governance Institute

To reward your commitment to the continual process of learning new skills and abilities, the Missouri Municipal League proudly sponsors the Municipal Governance Institute for MML members. This program provides leaders with the opportunity to become certified local government officials.

Basic Certification (MGI)

The program is designed so participants can complete requirements within a standard two-year term of office. Attendance at the MML Elected Officials Training Conference and two MML Annual Conference, including the pre-conference workshops, along with MML qualifying webinars, will typically provide the needed credits to qualify for completion. All participants are expected to complete the program within four years.

Advanced Certification (AMGI)

The advanced curriculum is designed for completion within the standard two-year term of most municipal officials.

The 2023 MML Annual Conference will include the following MGI offerings:

- Pre-Conference Workshop: Deep Dive into Sunshine Law = **Sunshine Law** – 1-hour basic MGI
- Economic Development it is More Than Incentives = **Economic Development** – 1-hour basic MGI
- Conflict of Interest: An Interactive Overview = **Ethics** – 1-hour basic MGI
